flooring

11/29/2020 – Furniture
move in completed

Elks Building Project

Jensen excavating started this week, all site removals are complete, planters, blacktop, bollards. Rain gardens are being excavated. Window installation is almost complete. American Homes-Soffit and fascia material arrived and install started on the west side of the building. Roof Flashing will commence next week. Drywall is 80% complete and taping has begun on the east side of the building.

Fun Fact: Southern Lock & glass had never installed the type of glass, solar cool bronze, as it is not a common glass type in Minnesota. It is typically a more common glass that is installed in the South. Southern Lock & Glass had a lot of fun installing this and everyone was very excited about the look and overall finish.

Subcontractor Spotlight: Southern Lock & Glass

Located right in Albert Lea, offers a Wide Variety Of Services. Doors, Frames, Hardware -Locksmithing, Key Cutting -Auto-Glass Replacement, Overhead Doors & Operators, Custom Shower Enclosures, Card Reader Security Access, 24 Hour Emergency Lockout Service And Much More. Southern Lock & Glass designed and installed the Windows at the new Law Office this week and will be finishing next week.
